Gender identity is the personal sense of one's own gender. Gender identity can correlate with assigned sex at birth, or can differ from it. All societies have a set of gender categories that can serve as the basis of the formation of a person's social identity in relation to other members of society. In most societies, there is a basic division between gender attributes assigned to males and ...

The LDS Church has campaigned against government recognition of same-sex marriage, and the issue of same-sex marriage has been one of the church's foremost political concerns since the 1990s. For example, church members represented as much as 80 to 90 percent of the early volunteers petitioning voters door-to-door and 50 percent of the campaign funds in support of California Proposition 8 (2008).
