Gameplay. Myth: The Fallen Lords is a real-time tactics game, and as such, unlike the gameplay in real-time strategy games, the player does not have to engage in resource micromanagement or economic macromanagement, does not have to construct a base or buildings, and does not have to gradually build up their army by acquiring resources and researching new technologies.

A Neanderthal skeleton, left, compared with a modern human skeleton. Credit: American Museum of Natural History (Phys.org)—A trio of researchers, two with Stanford University in the U.S. and the third with Meiji University in Japan has created a model that showed that it might be possible that the Neanderthal extinction that occurred in the years after early humans arrived in Europe, was due ...
