[Media coverage of global warming - Wikipedia](#)

Mon, 30 Jul 2018 11:32:00 GMT

Media coverage of global warming has had effects on public opinion on climate change, as it mediates the scientific opinion on climate change that the global instrumental temperature record shows increase in recent decades and that the trend is caused mainly by human-induced emissions of greenhouse gases. Almost all scientific bodies of national or international standing agree with this view ...
